

Class II Gaming Summit Class II Agenda Pathway to Prosperity with Class II

**November 16th - 19th
Isleta Resort & casino, Albuquerque, NM**

Monday, November 16, 2026 -

Opening Golf Tournament -

Begin your Class II Summit experience with an afternoon on the course alongside tribal leaders, casino executives, sponsors, and industry professionals. This premier networking event provides the perfect opportunity to build meaningful relationships before the summit officially begins.

Tuesday, November 17th, 2026 -

Pre-Conference Workshops

(Additional Registration Required for Class II Analytics and Bingo as Theater)

Class II Gaming Analytics with Steve Simon -

Gain a deeper understanding of the mathematics behind Class II gaming. This full-day workshop explores game performance, par sheets, floor optimization, operational analytics, and the role bingo mechanics play in maximizing casino profitability.

Bingo as Theater Experience -

Discover how entertainment, atmosphere, and player engagement can transform a traditional bingo hall into an unforgettable guest experience. This interactive workshop explores proven techniques for increasing player excitement through presentation, promotions, and live demonstrations.

Tribal Connect Session - 4:30 PM -

Participate in structured networking sessions featuring one-on-one meetings between vendors and tribal leaders. These focused conversations are designed to encourage meaningful business relationships and future partnerships.

Tribal Fireside Reception - 6:00 PM -

Join fellow attendees for an evening of networking, refreshments, and conversation in a relaxed setting as we officially welcome everyone to the Class II Summit.

Wednesday, November 18th, 2026 -

Opening General Session - 8:30 AM - 9:45 AM

The Evolution of Bingo and Class II Gaming -

Explore the history of bingo, the emergence of Class II gaming, and the important role customer loyalty has played in its continued success throughout Indian Country.

Breakout Sessions - 10:00 AM - 12:00 PM

The Future of Class II: Regulation, Technology & Trust -

As technology continues to evolve, so do the opportunities and challenges facing Class II gaming. Industry leaders will discuss regulatory trends, emerging technologies, and strategies for maintaining trust while advancing tribal gaming operations.

Marketing, Player Development & Artificial Intelligence -

Discover how today's leading casinos are using AI, customer data, and innovative marketing strategies to strengthen player development programs, improve guest engagement, and drive long-term growth.

Lunch Roundtable - 12:00 PM - 1:00 PM -

Join fellow attendees for lunch and an engaging discussion with industry leaders as they reflect on the evolution of Class II gaming and the opportunities shaping its future.

Breakout Sessions - 1:15 PM - 2:15 PM

Electronic & Paper Pull Tabs: Expanding Revenue Opportunities -

Learn how electronic and traditional pull tabs are creating new revenue streams for gaming operators and explore how tribal casinos can successfully incorporate these offerings into their operations.

The Future of Artificial Intelligence in Tribal Gaming

Artificial intelligence is rapidly transforming casino operations. This session explores how AI can improve decision-making, enhance player experiences, and increase operational efficiency while maintaining the integrity of tribal gaming.

Roundtable: Class II Gaming Profitability

Join an open discussion focused on strategies that increase profitability through Class II gaming. Share experiences, exchange ideas, and explore best practices for maximizing revenue on the casino floor.

Breakout Session - 2:30 PM - 4:00 PM

Roundtable: Protecting Tribal Assets in the Digital Age -

As technology becomes increasingly connected, protecting tribal assets has never been more important. This discussion focuses on cybersecurity, social engineering threats, and practical strategies for strengthening organizational security.

Exhibit Reception - 4:15 PM

Meet with exhibitors, sponsors, and fellow attendees while enjoying refreshments and networking opportunities throughout the exhibit hall.

Evening Bingo Experience - 6:30 PM

Enjoy an exciting evening of bingo at Isleta Resort & Casino and experience one of New Mexico's premier gaming destinations firsthand.

Thursday, November 19th, 2026 -

Continental Breakfast & Keynote Session - 8:30 AM - 9:30 AM

Class II Innovation & Evolution -

Industry experts examine the latest advancements in Class II gaming technology, discussing innovations that enhance player engagement, operational performance, and long-term competitiveness

Breakout Sessions - 9:45 AM - 10:45 AM

High-Stakes Bingo Championships -

Explore how high-stakes bingo programs can increase revenue while attracting new players. Operators will share practical strategies that bingo halls of all sizes can implement successfully.

Cybersecurity in the Era of Emerging Class II Technologies -

As AI and connected gaming systems become more common, cybersecurity remains critical. Learn how tribal gaming operations can identify emerging risks, strengthen security programs, and protect gaming integrity.

Breakout Sessions - 11:00 AM - 12:00 PM

AI-Driven Innovation in Class II Gaming -

Explore how artificial intelligence is reshaping Class II gaming through predictive analytics, personalized player experiences, operational automation, and data-driven decision making.

Roundtable: Recruiting Exceptional Bingo Talent -

Building an engaging bingo experience starts with exceptional employees. Discuss innovative recruiting strategies, entertainment-focused hiring, employee development, and ways to attract top talent to your bingo operation.

Lunch & Vendor Innovation Showcase - 12:00 PM - 1:15 PM

Enjoy lunch while leading Class II manufacturers, including Fortunet, Planet Bingo, Video King, and Gaming Arts, demonstrate their newest products, technologies, and innovations. Attendees will also have opportunities to win exciting prizes.

Breakout Sessions - 1:30 PM - 3:00 PM

Roundtable: Creative Employee Incentive Programs -

Learn practical approaches for motivating employees, increasing engagement, and improving retention through creative incentive programs designed specifically for bingo and casino operations.

Closing Roundtable: Moving Class II Forward -

Conclude the summit by sharing key takeaways, discussing actionable ideas, and collaborating with fellow attendees on strategies that will shape the future of Class II gaming in tribal communities.
